## Promoting Fundamental British Values Policy

---

### Policy Statement

Wrangle Primary Academy is committed to promoting the fundamental British values as defined by the Department for Education (DfE):

- Democracy
- The Rule of Law
- Individual Liberty
- Mutual Respect
- Tolerance of Different Faiths and Beliefs

We believe these values are essential in preparing pupils to become responsible, respectful, and active citizens who contribute positively to life in modern Britain and the wider world. These values are embedded throughout school life and form a key part of our curriculum, safeguarding practice, and community engagement.

---

### Aims

Through the promotion of British Values, Wrangle Primary Academy aims to:

- Enable pupils to develop their self-knowledge, self-esteem, and self-confidence.
- Encourage pupils to distinguish right from wrong and to respect the civil and criminal law of England.
- Support pupils in accepting responsibility for their behaviour, showing initiative, and contributing positively to the lives of those around them.
- Promote tolerance and harmony between different cultural traditions by enabling pupils to acquire an appreciation of and respect for their own and other cultures.
- Encourage respect for other people and support pupils to understand and respect democracy and the democratic process.
