

## Beech Class Home Learning

Our topic this term is 'How can we travel in space?'. Below are some tasks linked to our current learning. We would love to see any completed work or photographs. Have fun!

<p>Research an astronaut of your choice. Write some sentences about them.</p> 	<p>Help your grown up with the gardening. Can you plant some flowers? Can you pull up any weeds?</p> 	<p>Use a computer and have a go at typing. Can you change the size and colour of the font?</p> 
<p>Use junk materials to make your own space rocket.</p> 	<p>Spend 10 minutes each day reading with your grown up. This could be your phonics book which you read or a pleasure book which they read.</p> 	<p>Log in to Numbots and complete some maths games.</p> 
<p>Can you create an obstacle course? How quickly can you complete it?</p> 	<p>Practise counting. Can you count beyond 20? Can you count in 2s, 5s and 10s?</p> 	<p>Help your grown up to write a shopping list. Remember to use your Fred fingers.</p>
