WRANGLE
PRIMARY ACADEMY

UNIVERSITY OF
LINCOLN

Welcome

I am the Principal of Wrangle Primary Academy and am thrilled to be part of our journey. From my very first visit, I was struck by the academy's warm, caring atmosphere and the strong sense of community. It immediately felt like the right place for me, and I knew I wanted to contribute to its success.

I am fortunate to work alongside dedicated staff, enthusiastic pupils, and supportive families, and I value the strong partnerships we build together. Through our community links and further opportunities, we offer many exciting experiences for our children to further enrich their learning. Our pupils are happy, safe and eager to learn, which are traits that we like to instil together. We work collaboratively with other academies within our Trust.

I am committed to being a visible and approachable presence around the school and can often be found on the playground at the start and end of the day. Please do come and say hello as I relish a chat. If you would like a further discussion, please contact me through the Academy office by phone or by email. I look forward to working closely with you all to ensure the very best experiences for your child.

*Mrs T Hebron
Principal*

About our school:

Wrangle Primary Academy is a small rural school with a big family feel, where every child is known, valued, and supported. We are an amazing team of children, families and staff who all work together. We also work in collaboration with the academies across the University of Lincoln Academy Trust.

At our academy, we provide a rich, exciting curriculum full of real-life learning, creativity, and opportunities for the pupils to grow. Our swimming pool, grounds and bees are established and we love welcoming visitors and offering activities and trips to enhance our curriculum and bring it to life! We will share lots through our Facebook page and newsletters.

Our Academy is a place where children can dream big and have the commitment to achieve their goals. Guided by our values of Determination, Respect, Equality, Aspiration, and Motivation, we inspire every child to succeed.

We have 3 classes of mixed age groups: Beech class - Reception and Year One; Willow class - Year Two and Three; and Oak class - Year Four, Five and Six. Smaller class sizes also have positive educational benefits for all children as they are able to receive greater levels of support from adults in school.

Rising Fours:

*Is your child starting our school in September? If so,
are you aware of our fantastic Rising Fours?*

*We run our 'Rising 4s' from April each academic
year. Once your child turns four, they can join us
one afternoon a week to support their transition into
our Reception class.*

*They are well prepared to start school, already know
their class mates and teachers for September and
are eager and ready to go!*

Our School Vision:

We want our children to be happy and feel safe in an environment where friendship is valued. We want them to be kind and caring and know how to make the right choices in order to keep themselves safe and be good citizens.

We want our children to be able to respect and understand their community and their world by looking at what is around them locally, nationally and globally.

We want our children to be prepared for the world that they are growing up in, whilst having the knowledge to appreciate and understand what has happened to create the world that we live in today.

We want our children to have high aspirations and be able to find a way to be successful in whatever they choose to do in their future.

*We want our children to follow their **DREAMS**, using our school values to help them:*

DETERMINATION, RESPECT, EQUALITY, ASPIRATION, MOTIVATION TO SUCCEED

WRANGLE
PRIMARY ACADEMY

UNIVERSITY OF
LINCOLN

Our School Values:

WE WANT OUR CHILDREN TO FOLLOW
THEIR **DREAMS**:

DETERMINATION

RESPECT

EQUALITY

ASPIRATION

MMOTIVATION TO

SSUCCEED

Admissions:

Wrangle Primary Academy operates the admission policy of Lincolnshire County Council. Generally, children are admitted to our school in the September following their fourth birthday, however full details of our admissions procedure can be found in the school's admission policy available on request or on line at www.Wrangleprimaryacademy.co.uk. If parents have any queries on admissions we will be pleased to answer them. If parents would like to look round the school before their children are admitted we will be pleased to arrange a visit.

The school has an admission limit. At present the Published Admission Number (PAN) is 15. This means that the school can accept up to 15 children in each year group. If a parent wishes a child to join the school in a year group that is already at 15 then they will need to go through an appeal process. Details of this process are available by contacting 01522 782030. For details of midyear admissions either contact the school or refer to the school's admission policy, or contact Admissions on 01522 552241/553301.

We ask that parents park on the large playground at the back of school and adhere to our 5mph speed limit.

School meals:

Our Academy meals are provided by Ideal School Meals.

For more information, please visit their website

www.idealschoolmeals.co.uk

Curriculum:

*At Wrangle Primary Academy, we provide a **broad and balanced curriculum** through engaging **projects**. Each project focuses on a theme, while children are also taught individual subjects discreetly, ensuring they develop a strong understanding of each area of learning.*

- . In two of our mixed classes, we follow a **two-year curriculum plan**.*
 - . In Oak Class, we follow a **three-year cycle**.*
- Our projects are carefully chosen to **capture children's interest** and spark curiosity. Each one gives pupils the chance to:*
- . **Build subject knowledge** across the National Curriculum.*
 - . **Expand their vocabulary** and understanding of key concepts.*
 - . **Recognise and identify the specific subject** they are studying.*

*We support both staff and children with this approach using our “**Why We Learn About...**” documents, which explain the purpose and value of each topic.*

Early Years Foundation Stage:

Beech Class includes our Reception pupils, where we follow the **Early Years Statutory Framework** for the Early Years Foundation Stage (EYFS). This framework sets out the requirements for learning and development in the early years and outlines both the **prime areas of learning**:

- . **Communication and Language**
- . **Personal, Social and Emotional Development**
- . **Physical Development**

And the specific areas of learning we cover:

- . **Literacy**
- . **Mathematics**
- . **Understanding the World**
- . **Expressive Arts and Design**

A key part of developing essential knowledge and skills is **Continuous Provision**. This means children are **learning and practicing important skills every day and week** throughout the year.

Through Continuous Provision, children develop:

- . **Independence** - learning to manage tasks and make choices
- . **Innovation and Creativity** - exploring ideas and expressing themselves
- . **Enquiry and Problem-Solving** - asking questions and finding solutions
- . **Analysis Skills** - thinking critically about what they observe and learn

We have carefully designed our Continuous Provision to **feed seamlessly into Key Stage 1**, ensuring that children build strong foundations and make clear connections in their learning from the very start of their school journey.
